MERVE UĞUR

MUSTAFA GÜNGÖR

NİHAN GÜMÜŞ

INSTRUCTOR:ERDOĞAN DOĞDU

The main purpose of our web site is to classify the documents that the user and the user have uploaded according to their subjects. we will classify our classification with word2vec and doc2vec..

The first time the user clicks on the DataSat button, two class separated data items will appear in both English and Turkish.

The user selects one of the datasets and sees news headlines in English or Turkish according to the selected dataset.

	Clusters	
	BUSINESS	
	POLITIC	
Data Sets	TECHNOLOGY	Data Sets
ENGLISH NEWS	MAGAZIINE	DOC1
TURKISH NEWS	SCIENCE	
	ENTERTAINMENT	
	EDUCATION	
	HEALTH	

Home   Contact   Login

If the user wants to see the news, he clicks on the news headline and sees the document file which is composed of txt files.
